Tennant S12

The Tennant S12 is a very compact battery-driven ride-on sweeper with a sweeping path of 90cm. Due to its high manoeuvrability and the retractable side brushes it can easily reach tight corners. The hopper pops out easily for quick emptying, brushes can be changed without tools and filter cleaning is a snap. Low effort steering for low operator fatigue. The front side brush and the 70cm main brush sweep up 85L of litter and debris into its hopper. The S12 also utilises a standard dust flap for picking-up bulky debris.

Features

- Overthrow sweeping system
- Sweeps on hard & soft flooring, indoors and outdoors
- Glide-out hopper with large built-in wheels
- Side brush (right hand standard, left hand optional)
- Roto-moulded covers
- No-tool brush & filter change

Benefits

- Ensures good performance even with worn brushes
- Extends cleaning time
- Easily transports debris
- Increases cleaning reach, higher productivity
- Robust construction resisting strong impact
- Quick & easy maintenance

Applications

- Warehouse & distribution facilities
- Transport sector
- Parking areas
- Retail facilities
- Petrol stations
- Contract cleaning

Standard side brush

Easy filter change

Glide-out hopper

TECHNICAL SPECIFICATIONS S12

		90cm
Machine Dimensions		
Working width (single side brush)	cm	90
Working width (dual side brush)	cm	110
Dimensions (lxwxh)	cm	143x90x114
Machine weight (without batteries)	kg	212
Sweeping System		
Area coverage theoretical (max)	m^2/h	6820
Area coverage practical (max)	m^2/h	4650
Length main brush x dia	cm	70 x 28
Diameter side brush	cm	41
Sweeping principle		overthrow
Transaxle drive	yes/no	yes
Recovery System		
Panel filter capacity	m^2	4.5
Airflow	L/s	250
Water lift	kPa	900
Hopper capacity volume	L	85L
Hopper capacity weight	kg	90
Hopper dump height	cm	n/a
Power		
Power source battery		24V
Total power consumption	W	1240
Protection class	I/II/III	III
Sound level (DIN45635)	dB(A)	72
Propelling		
Transport speed	km/h	6.2
Working speed	km/h	6.2
Climbing capacity	%	18
Turning circle	cm	221

Configuration

- Battery-driven

The above mentioned configuration includes as standard a right hand side brush, flashing light and back-up alarm.

Accessories

- Batteries • Brushes (hard flooring & carpet) • Chargers

Options

- Left hand side brush • Foam filled tires

Warranty

24 Months (or max 2000 running hours) on parts and 12 months (or max 1000 running hours) on labour, whichever comes first, excluding wear items.
