

CS5

Compact Series

Micro-Scrubber

Powerful Cleaning, Compact Size

Stop mopping and experience the powerful cleaning abilities of the innovative CS5 micro-scrubber. The compact size and portable design make it as convenient as a mop and bucket, but it cleans and dries faster and avoids the use of dirty water for more effective results.

Included Technologies

Lithium-Ion Battery Technology

Unique Reverse Dry System

Forward and Reverse Drying

With a two-squeegee system design, drying can be done both forwards and in reverse eliminating the need to turn and allowing for cleaning in tight spaces.

Maximize Runtime

The lightweight and compact lithium-ion battery provides 50 minutes of run time (75 minutes with optional battery) and can be easily swapped out to extend run time.

Compact Size & Lightweight

Easy to operate in tight spaces and store in crowded storage rooms. Weighing fewer than 22 kilograms makes it easy to maneuver and transport.

Inside the CS5

- 1. Adjustable handle** adjusts to the comfort level of the operator and allows for cleaning under and around obstacles.
- 2. Easily removable tanks** allows for filling and dumping of water or solution nearly anywhere including small sinks.
- 3. Scrubbing action** standard brush with wear indicator provides a powerful clean on multi-floor surfaces and indicator shows when it's time to replace.
- 4. Battery charge indicator** alerts operator of remaining battery power indicated by green, yellow and red lights.
- 5. Quiet running** allows for cleaning in congested areas at any time of day with minimal disruption.
- 6. Simplicity in design** easy to use and operate while enabling site locations and operators to self-support and maintain.

CS5 Specifications

FEATURE	SPECIFICATION
Cleaning path	280 mm
Productivity (per hour) Theoretical Max	976 m ²
Estimated coverage	639 m ²
Max speed	3.5 km/h
Brush RPM	160
Brush/pad pressure	12 kg
Solution tank capacity	5 L
Recovery tank capacity	5 L
Battery run time (up to hours)*	50 mins (standard) 75 mins (optional)
Battery voltage	36
Length x width x height (handle in upright position)	615 x 412.5 x 1049 mm
Length x width x height (storage position with handle folded down)	770 x 412.5 x 399 mm
Weight (with Batteries)	19.8 kg (standard) - 20.2 kg (optional)
Sound level (operator's ear)**	63 dBA

Specifications subject to change without notice and will vary throughout the operation of the machine; averages are shown.

* Run times are based on Continuous Scrubbing Run Times.
