

T1

Compact, Low-profile Cylindrical Scrubber

- Scrub small and tight spaces with the T1's compact, best-in-class design
- Reduce risk of slip and fall accidents in narrow, congested spaces with excellent water recovery – even in forward and reverse maneuvers
- Improve environmental health by reducing bacteria growth with easy-to-clean-and-sanitize Hygenic tanks

Deliver superior cleaning results in small spaces you couldn't clean before – with compact design, powerful scrubbing action, excellent solution recovery, and fully cleanable Hygenic tanks.

Dramatically improve floor cleanliness

Thoroughly and effortlessly clean congested hard floor spaces, like you never have before, with small, powerful design.

Compact, maneuverable design

Safely and easily clean while traveling forward, in reverse, and turning into tight spaces, with highly maneuverable four-caster design and quick-adjust handle.

Easy to use and maintain

Easy-to-fill, -empty, and -clean Hygenic tanks offer a unique compact design. Ergonomic handles and grips ensure easy handling.

GENUINE TENNANT PARTS, SUPPLIES & SERVICE

Genuine Tennant Parts Advantage

Operate your machine with confidence by choosing genuine Tennant parts. Only authentic Tennant parts are engineered in conjunction with Tennant equipment. For years of worry-free operation, accept only genuine parts and supplies.

Direct Service Network

In Europe, Tennant offers a factory-trained, locally based network of more than 220 service technicians dedicated to keeping your cleaning program up and running. Protect your investment with a Tennant Service Agreement. Choose one of the many Tennant Financial Solutions for easy and quick financing.

For more detailed information on these topics, please contact your Tennant sales person.
